Veteran Application

Honor Flight recognizes American Veterans for your sacrifices and achievements by flying you to Washington DC to see YOUR memorial at no cost. We are currently accepting applications for Veterans from all wars with top priority given to terminally ill veterans. Dates of service, age and application date will determine the order in which Veterans are chosen for each flight. In order for Honor Flight to achieve this goal, guardians fly with the Veterans on every flight providing assistance and helping all Veterans have a safe and memorable experience.
